
CLEAR HARBOR PURPOSE

To support each other's leadership.

To share our joys & our growth, make space for our own & each other's reflections, rest, laugh & rejuvenate.

To be held accountable with kindness to our greater leadership commitments.

Ultimately, to be a part of a larger collective of humans striving for a just & equitable world, relationship by relationship, & team by team.

Vessel Consulting & Strategy Mission

Vessel Strategy & Consulting helps leaders and teams gain clarity, work collaboratively, and discover a deeper sense of purpose, connection, and joy.

We support leaders and teams to create the systems, communication methods, strategy, and culture they need to build inclusive, equitable community change.
